Dear Ms. Adkins:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule E of your report discloses several payments to Ackerman-McQueen for "Independent Expenditure-TV Ad Producti." In response to an FEC inquiry, you stated that the disbursements were for ads that were cancelled. However, your reports do not appear to disclose a refund from this vendor. Please clarify whether your committee received a refund from Ackerman-McQueen and amend the report covering the period during which the omitted transaction(s) occurred. Please note, any refund checks received should be reported on Schedule A supporting Line 15 and voided checks should be reported as negative entries on Schedule E supporting Line 24.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
